Driven by intense competition and technological change, the Asian Aviation market demands unique insurance solutions. LIU's global capacity and dedicated Asian presence means we can cover larger, more complex risks while delivering a fast, flexible service.

Whether your client is a regional operator or an international carrier, Liberty International Underwriters (LIU) offers them a wealth of Aviation Insurance expertise.

LIU have been writing aviation insurance out of London since 1993 and combine that experience with an established Asian presence. Our team of underwriters have the expertise to craft comprehensive tailored products and services that meet your client's needs.

### The Products Airline

LIU's London Airline account is underwritten in London through a network of international London-based brokers. It covers a wide range of airline operators ranging from single to multi aircraft fleets.

### General Aviation

LIU's team of underwriters brings global experience to bear in meeting the varied and complex needs of domestic carriers in many different regions and markets and across many different fleet types.

### Industrial Aid

LIU's global presence and its exceptional capacity offer corporate jet clients and operators the security and service they require.

### Rotor Wing Aircraft

Our diverse global portfolio enables our underwriters to appreciate and respond to the individual needs of private and commercial helicopter operators.

### Hull War

This product is offered locally to enable us to meet each operator's particular protection requirements against hull war, strikes, riots, malicious acts, confiscation and hi-jacking.

### Why LIU?

LIU underwriters are disciplined, consistent and trained to bring their technical skills and extensive industry knowledge to bear in crafting cover that meets each client's needs.

Liberty's claims team provides a premier level of service, one recognized by independent industry surveys. The team comprises experienced claims specialists with extensive local and international expertise. As a global organisation we also have access to the expertise of claims professionals in overseas jurisdictions. LIU claims staff work with our underwriters every day in an integrated business unit designed to ensure a commonsense claims response.

LIU has offices in Australia, Hong Kong, Singapore, Vietnam, Malaysia, India, North America, South America, the Middle East, Canada, the United Kingdom and Europe. We can meet your insurance needs anywhere in the world. Just as importantly LIU gives authority to the people on the ground. So your clients get quick, efficient underwriting and a more responsive claims service.

### About LIU
